| <p>i live at 334 crossley lane, wf14 0nu, i wish to formally object to application 2025/93355 on the grounds that hepworth Lane and as a knock on effect Crossley lane cannot safely accommodate the extra traffic the development would generate, as most households have 2 cars that is a potential 150 extra cars a day, the lane is too narrow in places for 2 cars to pass and lacks footpaths, forcing both vehicles and pedestrians, especially schoolchildren to share the road which will increase the risk of congestion and accidents which may result in a fatality.</p> | |
