Over development in Mirfield with no corresponding improvement in infrastructure ie healthcare provision. All roads surrounding proposal used above capacity. Following road junctions have very bad sight lines- Wellhouse Lane to Flash Lane , Hepworth Lane at both ends , Woodward Court to Wellhouse Lane. Both ends of Hepworth Lane & lower end of Wellhouse Lane are single vehicle width only. Large build ups of stationery traffic up Sunnybank Road. At school run times Wellhouse Lane & surrounding roads often become grid locked & existing ongoing problems with parking would only increase . Several failed attempts at gaining planning permission at this site with all the above relevant then , & non of the issues having being addressed in this application .
