<p>i live at 63 Greenside Rd,WF140AS</p> <p>I wish to formerly object to application2025/93355 on the grounds of extreme excessive traffic,already where i live,its extremly dangerous with the excessive amount and has become pretty unbearable living next to it and living in fear of a potential serious accident caused by speeding impatient drivers and heavy congestion.my house shakes already if a heavy vehicle is passing.</p> <p>The school and parking would not be able to cope with more pupils and drop offs and school parking both are stretched.</p> <p>I also believe drainagd would be a massivde issue.natural springs are around and water will have no where to go.greenside as had trouble and road works attending to water issues.The residents will suffer with noise and vibration and possible property damage and value to property.This ix mh reason znd objection of plannjng 2025/93355.</p>
