I am a resident of Wellhouse Avenue and I formally object to the Bellway planning application to build 75 houses in Balderstone Hall Fields.
I object to the following:-
1) 75 houses = 150 cars or possibly more, which means at least 300 extra car journeys per day, significantly increasing the risk of accidents. Through Wellhouse Lane where it is narrow and only suitable for one car between Hepworth Lane and Flash Lane.
And Hepworth Lane at the Shillbank Lane, where it is also single Lane with no pavements. Where I walk daily with my dog. I am especially concerned at school, drop off and pick up times, for school children and their parents who have to walk in the road with cars coming behind them.
2) Loss of wildlife habitats.
3) Loss of Green space.
4) The Mirfield infrastructure cannot take any more people.

Kirklees Planning Committee, please do not allow Bellway to build.
