I would like to place an objection to the proposed plans due to the fact that the roads around the site are simply not safe now let alone if this development goes ahead. The last proposal for planning on this was refused on these ground' Quote from refusal last time “The proposed development would lead to additional traffic impacts on an already constrained local highway network which, by virtue of the existing network of narrow roads, the close proximity of the proposal to the existing school (Crossley Fields Junior and Infant School), and the substandard visibility at the junction of Woodward Court and Wellhouse Lane, would result in an unsafe development which would fail to acceptably mitigate the degree of conflict between all users. The proposed development would lead to an unacceptable highway safety impact, contrary to paragraph 109 of the National Planning Policy Framework, Policy T10 of the Kirklees Unitary Development Plan and Policy PLP21 of Kirklees Publication Draft Local Plan” Nothing has improved since then so I urge you to decline
