<p>Reference2025/93355,Having lived and worked on wellhouse lane for over 30 years,I therefore must object to the planning proposal by Bellway Homes to build 75 residential homes on land off Woodward court/Hepworth Lane,I am objecting to these proposals Because of the dangers this proposal will bring, The roads in this area and surrounding area are very busy already, And i have personally seen near misses to children and parents who go to the school on wellhouse lane ,There as always been traffic issues on this road and is getting worse year on year ,Due to the amount of cars travelling down wellhouse lane especially at school times ,The parking at school at the beginning of the day and finishing time is abysmal (parking on pavements etc ,)meaning pedestrians have to go on the road and put themselves in Danger,,The adjoining roads at the bottom of the wellhouse lane is too narrow for this amount of traffic and this proposal by Bellway will make this area very dangerous and accidents waiting happen ,As there could be approximately another 150 cars up and down these roads ,Also the top of Hepworth lane is so narrow its dangerous to get out on to wellhouse lane without chances of been hit by cars etc coming up from Flash Lane ,I can't imagine how dangerous this road will be when Heavy plant vehicles etc are travelling up and down these surrounding area's, It will be a disaster waiting to happen the infrastructure can't take anymore ,,</p>
