<p>I wish to formally object to the planning application 2025/93355 on the grounds that Hepworth Lane and Flash Lane cannot safely accommodate the extra traffic the 75 new houses would bring. Both roads are already very busy. Hepworth lane is particularly narrow and in places cannot accommodate 2 cars to pass, additionally in places there is no footpath which means that cars and pedestrians including school children have to share the road. This increases the risk of congestion and accidents. The roads, the services and infrastructure in the immediate area are already under pressure adding 75 additional houses would place additional pressure on the infrastructure which is struggling to cope as it is.</p>
