

A. ST MARY'S AVENUE

MIRFIELD. WF14 0PX.

REF NUMBER 2025/93355

I have lived in the above address.
so I know the local area very well.

To build 75 houses between Wellhouse Lane
Crossley Lane and Hepworth Lane is totally
ridiculous. None of the Local Lane are suitable
for 150 or more vehicles.

Plus the Local schools not large enough to
take 100 to 150 more children.

Don't take more green fields away very
important for the environment.

Dewsbury is a ghost town why don't you
turn all the shops into homes?
