<p>Having lived in the local area for 50 years and seen several attempts for planning on the land I feel it more inappropriate than ever for this not to go ahead. The local infrastructure is far from suitable to handle traffic, the local roads are already congested. There is regular issues on surrounding roads with a local junior school and senior school in close proximity, with ongoing parking/drop off issues at school times putting youngsters and parents at risk. The narrow layout of roads surrounding the area make it completely unsuitable to increase the amount of traffic that 75 houses could bring. The area offers green space for vegetation, animals and wildlife which would all be disrupted not to mention the impact of natural drainage systems.</p>
