<p>I wish to formally object to the planning application 2025/93355 due to the additional road traffic this would create to both the roads in the immediate vicinity, and the main arterial roads in and out of Mirfield. The narrow, overwhelmed roads are already struggling to cope safely with the number of cars (both in motion and parked), and there is a risk posed to school children and other pedestrians. There is also insufficient GP practice availability to support more households.</p> <p>This application has been rejected on a number of occasions and it is evident that it is unwelcome, impractical and unsafe.</p>
