Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
To build more houses in this built up surburban area with no further infrastructure is detremental to the residents in the immediate area and those accessing the area to attend the nearby school, church and cricket ground. The roads are not wide enough already to permit a free two way flow of traffic, and certain stretches of the pavements are very narrow or non existant. The danger is tthat the area becomes more of a rat run than it is at present. In conclusion this plan should not go ahead as it risks peoples health and mental wellbeing.
