I am writing to object to the application of 2025/93355 on the grounds that Hepworth Lane and Wellhouse lane cannot safely accommodate extra traffic that the development would generate. The lanes are two narrow in places for cars to pass and Hepworth Lane lacks footpaths, forcing vehicles and pedestrians especially school children to share the road. Parking at times adds to the pressure and the narrow section of Wellhouse Lane cannot take more traffic, that also goes for Flash Lane. There is no need for more unaffordable houses in Mirfield that are taking up our green spaces and unspoiled land. The development would also result in harm to wildlife in the area.
