<p>I object to this planning application due to the impact on local roads. This development will impact on highway safety in the areas of Wellhouse Lane and Hepworth Lane</p> <p>The area is already difficult to navigate both on foot and in a vehicle., due to narrow roads and in some areas lack of pavements. This is especially more difficult and dangerous at school entry and exit times when both sides of Wellhouse Lane and all surrounding streets are double-parked, including the proposed entry and exit to the development. At times it would be impossible for emergency vehicles to pass and particularly to gain access to the school.</p> <p>A secondary consideration is the impact on local services, particularly the access to doctor and dental services.</p>
