I hereby object to the above plans on the following grounds;

- disturbances to the infrastructure of the local area. Including excessive traffic on Hepworth lane causing issues for surrounding streets.
- Issue of building on green belt land
- Lack of facilities for local residents - Drs, schools etc which will be drastically reduced by the building of 75 dwellings.
- Lack of disabled access to Hepworth Lane, Hepworth Drive and Hepworth close both during and after the build.
- Environmental impacts of both the build and following completion.
Issues with water/sewage/drainage works.
- Road closures affecting access - something particularly problematic for elderly and disabled residents.
- Safety isdues on completion with Hepworth lane being the only route through for 75+ more extra cars. Hepworth alane foes not currentky have pedestrian access in some parts and this issue will be compounded.
