<p>I hereby object to the above plans on the following grounds;</p> <ul style="list-style-type: none">- disturbances to the infrastructure of the local area. Including excessive traffic on Hepworth lane causing issues for surrounding streets.- Issue of building on green belt land- Lack of facilities for local residents - Drs, schools etc which will be drastically reduced by the building of 75 dwellings.- Lack of disabled access to Hepworth Lane, Hepworth Drive and Hepworth close both during and after the build.- Environmental impacts of both the build and following completion. <p>Issues with water/sewage/drainage works.</p> <ul style="list-style-type: none">- Road closures affecting access - something particularly problematic for elderly and disabled residents.- Safety issues on completion with Hepworth lane being the only route through for 75+ more extra cars. Hepworth lane does not currently have pedestrian access in some parts and this issue will be compounded.
