

About the application

Application number: 2025/93355	
What is the application for?:	Erection of 75 residential dwellings with associated landscaping, open space, hi
Address of the site or building:	Land off, Woodward Court, Mirfield, WF14 0PY
Postcode:	LS15 8ZB

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>1. I have serious concerns about the safety of pedestrians walking up and down Hepworth Lane because the road is narrow and only one car can drive up it or down it at once. There is no pavement in that area so pedestrian safety is compromised already - Additional traffic and the resulting driver frustration will lead to accidents and I do not believe that Bellway has considered this sufficiently in their proposal. 2 the whole estate proposed will become an additional car park for the school traffic and cars will avoid the junction wellhouse lane to flash lane by driving though the proposed estate into Hepworth Lane. 3 the walk to and from school using footpaths rather than roads allows children to appreciate the joy of being outdoors and this encourages them to explore outdoor activities in later life as adults thus improving their physical and mental health and wellbeing. Walking through housing estates and past the back gardens of properties cannot be compared to walking through fields with an abundance of flowers, horses and foxes. 4 The impact on the current wildlife has not been considered. The area is just recovering from previous attempts by Bellway to excavate the area. There is very little " natural environment " left. This proposed development will reduce that further.</p>
