<p>I strongly object to this proposal. What's changed!!! Bellways application was rejected in 2018 following four failed attempts - the roads, lack of pavements and the traffic in the areas around Wellhouse, Hepworth and Flash Lanes haven't changed, I would say that it's worse. I see first hand every day at school times difficulties leaving our property, with cars parked on the pavements, close to road junctions and not taking any notice of the one way system at the top of Hepworth Lane - the proposal would lead to an unacceptable highway safety impact.</p> <p>We should be protecting our green spaces for the benefit of the environment planting trees and keeping safe havens for wildlife.</p>
