| <p>This is a dangerous development which should continue to be objected. The road is crazy at school time with inconsiderate parent parking, not to mention the narrow road onto Hepworth Lane which has little to no pedestrian access. Wellhouse lane and Hepworth Lane are also used as a quick cut through to avoid Greenside lane as this is a nightmare with the parked cars all the way up. This is main bus route which multiple times causes issue with parked cars - which in turn means cars use Wellhouse to avoid this. I object to another 75 houses. Leave the greenspace alone.</p> | |
