<p>The applicant is resubmitting the plans that were previously refused adding much more information to try and confuse the main issue for the previous refusal which was inappropriate access and creation of excess raffic near Wellhouse sshool. Adding another access from Hepworth Close shows how desparate the applicants are because any site visit will show that this lane is totally unsuitable for such an entarnce and the traffic it will create.</p> <p>I hope councillors will consider the repercussions if increasing the traffic causes any accident with a school pupil. Those considering approval should also consider their personal responsibilities.</p>
