Subject: 2025/93355 Proposed Belway development Mirfield

I strongly oppose the development presented by Belway. They keep trying don't they!
Traffic is horrendous in Mirfield as it is. Please send some of your officers at 8.30 am and 3.00pm and see how ridiculous and gridlocked. Also generally traffic is bad.
It's an absolute joke to even contemplate another development in Mirfield and especially off Hepworth Lane.
