I object to this planning application 2025/93355 due to the effect it will have on the existing infrastructure. The additional strain the development will make on the adjacent roadways, which are narrow, will increase the chance of accidents. Also, the local schools, doctors and dentists are already struggling to support the existing neighbourhood. Finally, this area of Mirfield has a large variety of wildlife. The development will destroy the habitat of many animals, birds and insects.
