<p>I object to the building of 75 properties on Woodward court/hepworth lane. This area is already over crowded especially with the school causing major traffic problems twice a day. This will cause even more problems with traffic jams.</p> <p>The disturbance this will cause on residents in this area. The impact of traffic trying to get out of Mirfield in a morning to go to their place of work will be massive. Mirfield is already a constant traffic jam. The traffic impact it will also have on Flash Lane will be massive. How will the school cope with more pupils. There are public right of ways next to the fields where the proposed building is going to take place. I believe they will try and make it unsuitable for walkers.</p> <p>Way back in the sixties Mirfield was known as a dormitory where people lived and worked elsewhere. I think the dormitory is too large, the traffic jams on roads that were not built for the amount of and type of traffic.</p> <p>Homes are needed but this area is unsuitable. Greenside Road is a very dangerous road and it's only a matter of time before there is a very serious accident. This has been used as a car park for Crossley Fields school.</p>
