<p>As a resident of Mirfield and frequent walker around Flash Lane, Wellhouse Lane and Hepworth Lane I am astounded that these roads will be made available as key access routes to the proposed development off Woodward Court.</p> <p>Anyone walking or driving up Hepworth Lane will know already the potential danger in traversing this route. The road is narrow off Flash Lane but is nothing compared to the top of the lane when turning onto Wellhouse Lane. Here the road is one car width wide with no pavement and always a passage involving much consternation!</p> <p>This alone should be enough to deny the application but I have also seen little evidence that any subsequent increase in infrastructure in Mirfield is being considered to support this development.</p>
