<p>I would like to formally object to this application for the following reasons: There have been many previous applications , this is the fifth, and on each occasions they have been refused. There should be some consistency especially when there had been no change in the infrastructure. Highways in the whole area are insufficient and often very unsafe because of the traffic. It is not just at school times but in summer there is a busy cricket club on Wellhouse lane (they also have various activities there such as funeral teas) . In winter there is football on Gilder field also on Wellhouse lane. There are also two riding stables very close by so there are regular horse riders .The land is the setting for a Grade II listed building and should be preserved. The Hepworth lane residents are wmm worried because of the flood risk and more traffic on Hepworth lane. Please refuse the application.</p>
