<p>As a local resident, I am deeply concerned by this proposal for 75 houses. We already live with the daily reality of congested, narrow roads that were never designed for this level of traffic. Adding another 150+ vehicles is not just a nuisance; it is inherently unsafe.</p> <p>I am particularly concerned about the safety of local children. The proposed access route sits dangerously close to neighbouring schools, creating a direct risk during the morning and afternoon rush. Our local services—from the overstretched doctors' surgeries to our crowded schools—simply cannot absorb the demand from more family homes.</p> <p>Given that the council previously rejected a smaller plan for 61 houses on this very site, it is illogical to consider an even denser development now. We must protect Mirfield's infrastructure from further degradation. Please refuse this application for the safety and wellbeing of our community.</p>
