<p>I object to the building of 75 dwellings on the fields off Woodward Court. I cannot believe that every few years we have to go through this ordeal having to send in our objections. It's quite obvious that traffic in the area has only got worse over the years not better. There are too many cars coming and going from the surrounding streets making it difficult to get about. Most of the streets are very narrow and even the wider roads have so many cars parked it is difficult to get anywhere. The schools are full the doctors surgery is full. It is difficult to get an appointment as it is without 75 dwellings adding to the equation. 75 dwellings means at least 150 cars and over 200 people . There are 44 new dwellings due to be built at Northorpe Lane. How much more can Mirfield take. Enough is enough. There is Not enough infrastructure for all the extra people living in Mirfield.</p>
