I formally object to this planning application. As a resident on Jenny I have concerns about increased traffic and the access plans along this highway. As a resident i am already trapped both in and out of my home at school finishing times due to excessive traffic, poor parking, including double parking, blocking the highway and pavements. On most days access for emergency vehicles is not possible between the hours of 8.15am to 8.45am and 2,30pm until 3.30pm due to parents parking. Not only will we have to deal with construction traffic during the works the surrounding roadways are narrow and restricted at all times, people will not follow the prescribed access if busy and will add extra vehicles to an already busy area. This will put both pedestrians and residents at additional risk.
