I object to new house has been built on Greenland and recreation land, there is enough brown land and disuse buildings around which you can build on out of Mirfield. Stop over the populating Mirfield as we do not have the infrastructure. For example the road are over congested now and in poor Conditions. Doctor and Dentist are I just about impossible to get an appointment. Schools and other amenities are swamped, we cannot take any more new houses In and around Mirfield, We can’t breathe here you have taken just about every bit of spare land and greenery we have stop it now before it’s too late.
