<p>I used to live in this area and I still visit it regularly.</p> <p>The connecting roads in/out are already parked up and require traffic to give way on narrow roads. This creates complete chaos that is best avoiding the area completely during school start/end times. This problem will be seriously exacerbated with 75 more residences, and this will negatively impact both the current and potential future residents.</p> <p>The area that the building is planned for is a lovely green space that I have fond childhood memories walking and playing in. It would be such a shame to lose this as having this access is part of what makes Mirfield a nice place to live.</p>
