<p>am writing to formally object to the proposed development by Bellway Homes for 75 dwellings at the Woodward Court site. Given that Kirklees Council previously refused a smaller application for 61 houses (2017/93935) due to highway constraints, an increased density of 75 units appears fundamentally unsuitable. The site's proximity to two local schools, a playing field, and a cricket club raises significant road safety concerns, particularly as the existing road network is narrow and frequently congested by parked cars. Furthermore, the loss of this green space will detrimental to local wildlife and the community's access to open/green spaces. I urge the council to refuse this application on the grounds of road safety, infrastructure inadequacy, and environmental impact.</p>
