The proposal for this 75-house development should be stopped. Back in 2017, the Council rightly blocked 61 houses because the roads couldn't cope—nothing has changed since then, so why would 75 houses be acceptable now? This site just isn't suitable for more housing because the roads around it aren't designed to handle this amount of traffic and it's a massive safety risk for the children at Crossley Fields schools. I object to this planning application and it should be refused.
