Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Residents have been opposing this development for many years, and previous applications have been refused due to the significant concerns they raise. Those concerns have not gone away. I strongly object to this planning application, as the proposed development of 75 houses is totally inappropriate for this conservation area and would cause significant harm to its natural environment, and biodiversity. The development would also generate a substantial increase in traffic on local roads that are not suitable for this level of use. The scale of the proposal is incompatible with the purpose of protecting this area for future generations. We do not need this development. Leave Mirfield's green space alone.
