Subject: reference planning application 2025/93355 (land off woodward court)

I would like to register my objections to this development for the following reasons

1. Traffic congestion on wellhouse lane is already bad with two schools, football on the guilden fields and the cricket club, Another 75 houses plus all the cars would make it unsafe and horrible to live in the area. The lane is single car width in places. To me it makes absolutely no sense to allow this development.

Thank you
