Subject: 2025/93355 Land off Woodward Court

With respect to the updated plans submitted by Bellway referring to Planning Application 2025/93355 Land off Woodward Court i would like to raise the following points.

Putting a raised platform and speed humps in this area will not improve the issues raised on previous objections to this application. The issue is the amount of vehicles and access not the speed at which they are travelling at.

The addition of double yellow lines will not address the issue of Hepwoeth Lane and Wellhouse Lane only being wide enough for 1 vehicle to pass through.

The proposed plan to restrict the access to exit only onto Hepworth Lane will not solve the issue of increased traffic going up and down Hepworth Lane which is only wide enough for 1 vehicle at a time. The exit view will also be restricted.
