This application has been reject on previous occasions due to road safety and the only thing thats changed is theres more traffic It is chaos at school times plus from Flash lane Hepworth Lane Wellhouse Lane Jenny Lane is used as a rat run with many drivers driving far too fast. It is LANES all round this area with most where 2 cars can't pass Woodward Courts proposed yellow lines etc will not make a bit of difference as they ignore yellow lines now (and whos going to police it) When schools in area (not just Crossley Fields) turn out its absolute chaos in area that includes Church Lane onto Flash Lane Wellhouse lane Its a disaster waiting to happen Wellhouse lane at busy times is a bottle neck already Parts of Hepworth Lane and bottom of Wellhouse lane are so barrow 2 cars cannot pass each other. Road safety should come first not the building of houses in an unsuitable place
