My main objection to the proposal is the local road network is unsuitable for additional traffic. The proposed additional exit onto Hepworth lane is extremely inappropriate and simply dangerous. The view line from the proposed exit is inadequate to view any vehicles approaching from the left. Also when turning left onto Hepworth lane it would be directly onto a single lane carriage way with no pedestrian walkway. Also any cars turning onto Hepworth Lane from Flash Lane would need to wait to turn in if any vehicles exiting Hepworth Lane as again there is insufficient space for cars to pass. This would result in stationary traffic on flash lane at a difficult corner where accidents have previously occurred.
