Morning Mohammed,

I hope you are well.

Following on from the ENVH surgery last Thursday (24/09/2026), please can you confirm in writing that you are happy with the Letter to Environmental Health, SLR Project No. 403.067073.00001, dated 07/09/2026 (attached to this email), submitted by the applicant's agent, which was discussed at surgery last week, and that this overcomes ENVH's initial queries in respect of weekend noise exceedances. Once confirmed, this email will be placed on the Council's website for public view.

Kind regards

Katie
