

Dear Jennifer,

Re: 2025/93366- Change of use from residential to C3 (b) children's care facility (within a Conservation Area) at 2 Kaffir Road, Edgerton, Huddersfield, HD2 2AN

Thank you for your request for consultation regarding the above application. The comments are made with the intention of reducing opportunities for future crime which addresses our collective responsibilities outlined in Section 17 of the Crime and Disorder Act 1998, by creating safe and secure developments where people will want to reside, visit or work.

The comments and recommendations are supported by the following guidance:

I have reviewed the application and supporting documentation available via the Planning Portal. I have also liaised with relevant internal partners.

The proposal is to accommodate up to 3 children aged 8-17, supported by 2 staff members.

West Yorkshire Police have safeguarding concerns with regard to the location of the proposed children's home. As outlined within "The protection of children standard", Section 12 of The Children's Homes (England) Regulations 2015, the premises used to house children in care must be "located so that children are effectively safeguarded".

West Yorkshire Police object to this application and respectfully request that it is refused.
