Postcode:	HD8 8DL

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The field lies within designated GREENBELT. The need for this development requires full justification. The size of the building and the length of the access road is significant. There is no design and access statement visible on the application page. Likewise there is no information to justify the setting of the building in the landscape eg tree surveys or topographical information. The proposed siting would harm visual amenity.
