| <p>The land recently belonged to the garden of 14 Lincroft Avenue. The garden was sectioned off leaving an unused plot of land. This used to have a detached garage and driveway. The land has excavated and fenced off. The land is clear and maintained. This is according to the application</p> <p>Unused but has had random building materials left on it since it was fenced off. The transit pick up parked on the unused land since November must be a figment of my imagination. All it needs is the burning bin for disposal of trade waste to save on disposal costs.</p> | |
