| <p>The property is a 2 bedroom converted to 3 bedroom therefore there will be no accommodation for live in carers. Also the house does not have a drive Carers will have to park in an already busy road which is a bus route. This is a residential area which should not have a care home in the middle causing all sorts of disruption including the possibility of ambulances at all sorts of hours. This will also devalue the properties in the vicinity, who would want to buy near a care home.</p> |    |
