This application after reviewing does not match what is actually here. It states that the property is not vacant, however, has been vacant since prior to its sale to the applicant.

There is also no parking for this property and only the neighbour has access to the curb parking.

The property is bordered by trees and shrubs and within the property boarders are a few trees. However the application stated no there arent any.

It also states under 25 sqm, however, having looked over the application states 250sqm.

They are also wanting to make a staff bedroom, but have not disclosed this on the application form under the market housing section and kept it as a 3 bedroom property.

The police have even objected to this application and given its reason why as to being more strenuous on police resources.

Please decline this and keep our residents, homes, and children safe from harm and additional influence from young people who have a lack of respect and ownership of their own behaviours towards communities they are in.
