Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
The traffic on clough road is already problematic, adding extra homes here will increase problems with regard to traffic. The brook on this road also bursts often which is not fixed leading to additional water on the road here - this should also be fixed prior to adding additional homes The addition of extra homes will contribute quite significantly to noise, light pollution and the impact of a loss of trees and natural environment in what is supposed to be a rural village
