I would like to object to this planning application. As a resident of Slaithwaite for over 50 years, I have seen many changes to the village, & yet again we are cramming in more housing in already congested busy commuter route. I echo the comments of a earlier objection where the person states how the site had wildlife, trees and wildflowers brutally ripped up to give the impression of a neglected wasteland, often myself & neighbours saw wild deer amongst this land. I have serious concerns regarding the height of the houses that this proposed development will bring, towering over the bungalows of Crowther close & will they be higher than the terraced homes on Brook Terrace? I also have concerns for the road safety with regards to the proposed entrance to the site, If they were planning on houses like the locality surely bungalows should be the choice? Regards concerned resident.
