Postcode:	HD7 5AL

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
looks to me that the developer has been asking family & friends to submit supported comment's on here "allegedly" You only have to try park in the village during the daytime to see its already over-developed, what about the impact on the schools etc. The proposed entrance is a potential hazard. a narrow road, where people speed up or down having passed slow S bends prior either direction. Does the village really need a apartment block thats totally out of place with the surrounding homes. I have concerns about the potential pollution that could run off into the brook opposite the site. should building works be approved. I understand bats have also been on the site.
