Explanatory Notes

Condition 6

Condition 6 of planning permission ref. 2025/61/92242/W states:

Prior to the commencement of works, full details of all retaining walls (including elevations, sections, product sheets, details of external facing materials and drawings showing boundary treatments above the retaining walls) shall be submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in strict accordance with the details so approved.

Explanatory Notes

All requirements of Condition 6 are considered to be satisfied by the information in the submitted plans and documents.

The boundary treatments have previously been discharged under condition 9 of the previous outline permission 2022/91735 (as amended by the Section 73 approval 2025/90105) and should be read in conjunction with the plans submitted in support of this discharge of condition application.

The natural and reconstituted stone retaining walls will correspond with the facing materials of adjacent plots.
