<p>Proposed car park in rear of property will mean the access lane to the rear will become busier affecting the safety of many as this is unlit, this is used by children, families and by residents for access to rear of properties, garages and putting bins out.</p> <p>The staff operating hours will be 24/7 which will cause disruptions to local residents.</p> <p>As stated by Kirklees Council Children's Commission, there is no real need for this business within the local area.</p>
