Address of the site or building:	57, Adelphi Road, Marsh, Huddersfield, HD3 4BB
Postcode:	HD3 4BB

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The property was built intended for a family to live in it. All properties will be severely affected in terms of noise, potential anti social behaviour and the car park If this type of accommodation isn't an urgent requirement then the property should remain as intended- a family home. This would also avoid the requirement for a car park.
