<p>I wish to object to these many houses being built on this beautiful field, at the moment we have wonderful views with much wildlife and nature, trees that have been growing for many years.</p> <p>The noise and traffic will be terrible for months if not years as Vivly seem to take forever to build their houses, the roads are already horrendous with pot holes everywhere.</p> <p>The poor people who are going to be overlooked from their houses and gardens with again noise and traffic volume. Why spoil such a lovely place. ?</p>
