<p>I wish to object to this development based the huge significance this land has on the local area, this area is a hugely popular beauty spot enjoyed by the whole village and surrounding villages for family walks through the countryside, fresh air and watching the significant amount of wildlife this greenbelt land brings.</p> <p>The proposed development is far too large for the area as local people live in this area to enjoy a peaceful life in the countryside.</p> <p>Such a huge development would destroy upper cumberworth and ruin the lives of so many residents and drive away the wildlife our children enjoy.</p> <p>i wish to also object under Article 8 (Right to respect for private, family life, and home): this development would cause severe pollution, noise, or nuisance that effectively deprives local people of the quiet enjoyment they are entitled to.</p> <p>The development is far too large for such a small village and is not in keeping with the area.</p> <p>The developer should look for a more suitable far smaller development that would provide a balance of providing a small amount of homes without destroying such a hugely important area used by the whole village and our children and wildlife.</p>
